Are there any days that you know of that you and/or your partner will not be here? Please write them here. Please realize that this is NOT a guarantee that you will have those days off or that I will provide you with a SUB, unless it is the first week of play. If I am able to give you a BYE or schedule against someone else who cannot play, then I will.

TENNIS LEAGUE FAQ

- **How long does my League run?**

Tennis Leagues usually run seven to nine weeks, depending on the number of teams in the league. This WINTER LEAGUE runs DECEMBER through JANUARY.

- **When do I start playing?**

You play the FIRST WEEK unless you are notified otherwise. Please mark this on your calendar.

- **What happens if I can't be there on a certain day?**

If you are playing in a Singles League, you may reschedule the match. However, if you reschedule more than two matches, you are not eligible to win the League. You must find a SUB for all Doubles matches you will not be able to attend. There is NO RESCHEDULING of Doubles matches due to the inconvenience for all parties involved.

- **I am in a league now that runs until a date after the new League starts. Can I still play in the new league?**

If you are currently playing in a league that finishes after the start date, your new League will start later. Some individual League players have late Make-Up Matches. The new Leagues will not start later because of these, but you as an individual will not be scheduled on a day that you already have a make-up scheduled.

- **When do I get my schedule?**

Because we work with your schedules as much as possible to schedule you off on days you are going to be unable to play, you will receive your schedule one week before your first day of play. You will receive a phone call two days prior to your League's first night of play to remind you that your League will begin that night. *UNLESS YOU HAVE INDICATED OTHERWISE ON YOUR SIGN-UP SHEET, MARK ON YOUR CALENDAR THAT YOU WILL PLAY THE FIRST NIGHT.* Anyone who does not play the first night will receive your schedule in the mail in the next few days.

- **I am not going to be there the first week and won't have a schedule or sub list yet. What do I need to do?**

It is your responsibility to either indicate this on your schedule or call me to let Mary Dudley know.

- **Do I have to be a Racquet Club member to play in the Racquet Club Tennis Leagues?**

You must be a member of The Racquet Club of Memphis to participate in the Racquet Club's Tennis Leagues.*

Please check the League Rules posted on the League Board in The Shop if you have any other concerns. You will also receive a copy with your new League Schedules.

All scores MUST BE REPORTED to THE SHOP or Mary Dudley McLean.

Thanks, good luck, and have fun!
